

CARLISLE MOUNTAINEERING CLUB NEWSLETTER

FEBRUARY 2008

The new programme of varied activities is here for Sunday Meets from Feb 10th; Evening Meets from April 3rd; and Weekend Meets until Scotland in September. Please treasure and record these as they are sure to be the really bright, sunny days of the year or interesting anyway...or definitely sociable.

There are 97 members to date with a few more about to pay up. (Don't mention anyone from Appleby). The new membership cards will appear in due course with details of our new website for much inter active communication, in case there is no time for chatting on Meets because of the rigours of the route.

MEMBER'S NIGHT WEDNESDAY APRIL 9TH AT MORTON COMMUNITY CENTRE 7.30.p.m.

Coffee and biscuits for 30 ordered to start the proceedings.

Tony cannot eat all these himself so lots of keen supporters would be nice. Please take some good shots in Feb and March or you can show us last year if you missed the autumn meeting.

It is always amusing to see what has happened to other members.

Dennis and Wadi Rum (is that how you spell it) was particularly memorable.

PENRITH CLIMBING WALL

Tuesdays and Thursdays find at least 10 members testing their adroitness. Sometimes there is hardly any space for Eden as there is a large enthusiastic gang of Carlisle Club. The Agricultural is also benefiting afterwards.
